Riding Center Rules and Regulations

Safety First

Please Be Considerate

Everyone has a different goal when he or she arrives at the Riding Center. Courtesy and safety must guide your behavior. Respecting the disciplines and personal objectives of all riders is expected. Please show consideration to all riders. The goal of the Barrington Countryside Park District is for all to enjoy and use the Riding Center facility safely.

1. Barrington Countryside Park District Riding Center is an unsupervised facility. Warning: Horse back riding is an inherently dangerous activity. Ride at your own risk. You assume all risk.
2. Signed waivers are required for use of the Barrington Countryside Park District Riding Center facilities and property.
3. SEI/ASTM approved hard hats are required for all mounted activity on the Barrington Countryside Park District Riding Center property and facilities.
4. Dogs must be leashed at all times while on Barrington Countryside Park District Property and Cook County Forest Preserve Property by Cook County Ordinance.
5. Do not leave your horse unattended in arenas or on cross ties. You must remain on Park District property while your horse is in the Park District paddocks.
6. No lunging when mounted riders present.
7. No riding in aisles.
8. Announce your arrival at all doors and gates.
9. When riders meet each other face to face they should always pass each other left leg to left leg. Keep to the right.
10. Clean-up after your horse -- including stalls, aisles, wash racks, and parking areas. Empty muck buckets.
11. Turn off all lights when you leave.
12. Limit paddock turn-out to 1/2 hour (no turn-out when footing is soft) if others are waiting to use the paddock.
13. All riders are welcome to ride in rings during lessons except during scheduled Pony Club Lesson time.
14. Indoor Ring -- Remove all jumps, barrels, and poles after use.
15. Outdoor Ring -- Three jumps remain in the outdoor ring. Remove any additional jumps, poles, and barrels after use.
16. Horses may not be left over night. However, in an emergency please leave your name and phone number on the stall door and contact a Management Board representative.
17. Ring maintenance has priority and is typically done between 5:00 and 8:30 AM. Please do not enter the arenas during maintenance and exit the ring immediately for maintenance. Maintenance schedules may vary due to changing conditions and priorities.
18. Please contact the Management Board with any maintenance or repair issues or use the feedback form on the Barrington Countryside Park District web site: <http://www.bc-pd.org>.
19. Please park in designated areas only.
 - No parking along the East side of the main barn and indoor arena.
20. No running, yelling, or roughhousing anytime, anywhere.
21. Smoking prohibited on Park District property.
22. Speed limit 10 mph or less on Riding Center property.

I have read and understand the Barrington Countryside Park District Riding Center Rules and Regulations and on behalf of my organization I agree to comply with the above written rules and regulations set forth by the Barrington Countryside Park District.
